Dear Governor Beebe,

By this letter, I hereby wish to request that you NOT reappointment Mr. Bill Lundy to the Arkansas State Pension Review Board (PRB).

As a retired police officer, I believe this position on the PRB to be too important to allow any PRB Board member who shows the disrespect shown by Mr. Lundy on March 2, 2010, for his constitutes to continue in such an important post.

Thank you for your consideration of this request.
