Bruce,

Not a problem at all. We will take it off the agenda.

David,

The Police Pension Board has not authorized an appeal. I would like the matter deferred until the Board officially acts.

Bruce,

Please don't change your vacation plans. We will be able to handle the appeal process in your absence.

Mr. Moore,

The appeal for Guarantee Fund assistance for the Little Rock Police Pension Fund is calendared for the PRB's September 1st meeting. Bill Lundy, the chairman, would like for you to be present if your schedule permits. Although the meeting will start at 9:30, I anticipate this agenda item will not be discussed until around 10:30. Would you be able to attend?

Thank you,

David
